

29-31

March

MAHPMM

Spring Seminar & Supplier Fair

Margaritaville Lake Resort, Osage Beach, Mo.

Who We Are

The Missouri Association of Healthcare Purchasing and Materials Management, or MAHPMM, is a Professional Membership Group of The Missouri Hospital Association. Our members are materials managers, buyers, purchasing agents, logistics and central supply managers and other health care supply chain professionals.

About the Conference

MAHPMM's Annual Conference & Exhibition is a once-a-year opportunity for providers, suppliers, clinicians, and administrators to meet as leaders, develop partnerships, and lead conversations about how to make health care better.

The conference provides a platform and a voice to weigh in on the important topics that affect you and your organization. We'll discuss strategies to persevere in current and future crises, learn new models in how we design and manage health care supply chain in a post-pandemic environment, hear from an insightful keynote, discover new products, and engage in face-to-face conversations and networking activities.

There has never been a better time to attend MAHPMM's conference to leverage the power of our health care supply chain community and embrace collaboration to drive actionable solutions.

Make plans to join us and be part of designing new and innovative approaches to building a more connected, resilient and efficient health care supply chain.

With a wide range of interactive educational sessions and networking events, you will have ample opportunities at MAHPMM's conference to ask questions of experts and time to have meaningful conversations with fellow attendees. It is also an excellent opportunity to earn continuing education credits.

The future is chaotic, uncertain, and unpredictable. How do you lead well in times of rapid change? Join an interactive session to discuss the challenges and best practices of leading through chaos. The session, Leading Through Chaos, will focus on leading change with an emphasis on both the challenges and best practice ways to:

- Discuss techniques that help you to adapt in the moment
- Describe methods to respond quickly across job functions
- Review examples of how to work together seamlessly

Speaker
Phil Shearrer, Insight Architect with R3DESIGNGroup. He equips leaders to build winning teams. And has trained leaders across a variety of organizations, including; nonprofits, military, healthcare, education, insurance, engineering, banking, and social media.

11:30 a.m. Supplier Product Fair & Lunch **Paradise C**
All are welcome and encouraged to attend.
