HEALTHPAC can accept personal contributions. It also can accept corporate contributions, but only from for-profit entities. These for-profit corporations must operate under a valid certificate of authority issued by the Missouri Secretary of State. Federal law prohibits corporate contributions by not-for-profit, tax-exempt organizations. Public hospitals also are prohibited by state law from making corporate contributions to political action committees.

Contributions to HEALTHPAC are not tax deductible. State laws require us to use our best efforts to collect and report certain information about donors.
