HEALTHPAC can accept personal contributions. It also can accept corporate contributions, but only from for-profit entities. These for-profit corporations must operate under a valid certificate of authority issued by the Missouri Secretary of State. Limited liability companies that have not elected to be classified as a corporation under federal tax law may contribute to HEALTHPAC, provided they have been in existence for one year and registered with the Missouri Ethics Commission. Federal law prohibits corporate contributions by not-for-profit, tax-exempt organizations. Public hospitals also are prohibited by state law from making corporate contributions to political action committees.

Contributions to HEALTHPAC are not tax deductible. State laws require us to use our best efforts to collect and report certain information about donors.
