

**HEALTHY MOMS,
HEALTHY BABIES,
HEALTHY MISSOURI.**

Missouri AIM: Severe Hypertension in Pregnancy Collaborative

**Join colleagues from
across Missouri to
integrate the AIM safety
bundle into your
organization or practice**

**3 TRACTS: BIRTHING
HOSPITAL/CENTER,
EMERGENCY
DEPARTMENT &
PROVIDER CLINIC**

**Registration through Oct. 31
Project launches Nov. 1**

Learn - Take Action - Network

COLLABORATIVE:

- Guidance toolkit
- Data tracking
- Implementation support
- Shared learning
- Showcase your successes
- Faculty experts
- Increase process reliability

Goal: Every birthing unit/center, ED and provider clinic in Missouri implements the Severe Hypertension in Pregnancy safety bundle elements to reduce maternal mortality and morbidity from pregnancy through one year postpartum

Join Missouri AIM!
