SUNRx 340B Webinar Series

An Exclusive Event for APS Members

TOPIC: 340B Regulatory Brief

The regulatory environment for 340B pharmacy is in a constant state of change, requiring eligible entities to be nimble and disciplined in the management of their program. Navigating the current ecosystem of 340B pricing limitations created by Big Pharma requires an understanding of the current regulatory environment. This webinar will provide insights that will support decisions that position your entity to maintain a compliant and optimized 340B pharmacy program.

In this session, we will share valuable insights for consideration in the management of your 340B pharmacy strategy. In this webinar we will cover:

- How did we get here?
- Current Regulatory environment
- Implications moving forward

Please join us for this informative webinar event, hosted by SUNRx with special guest, Maureen Testoni, President of 340B Health, where we will be sharing some insights on the current regulatory environment of 340B pharmacy program.

LIVE WEBCAST DATE: Tuesday, June 14, 2022
