

FREE weekly COVID-19 testing for all Zest Health members, groups, and partners!

Complete COVID-19 PCR test service from Order-to-Results at **ZERO COST** to your business.

Zest Health offers free PCR diagnostic at-home testing on a weekly basis for all Zest Health members, groups, and partners.

1. **Register** - Call **913-282-2276** or email melissaj@zesthealth.com to sign up your company or business. Place an order. Tests can be sent to multiple sites or locations. You can specify start dates and frequency of testing. Up to twice a week is available per person.
2. **Receive** - Test kits will arrive within 2-3 business days that include prepaid FedEx return bags. Weekly shipments will follow. Adjust volume at any time.
3. **Test** - Follow the simple "How to Perform a PCR Test" instructions.
4. **Return** - Send completed tests back utilizing the prepaid FedEx overnight bags. Vial collections will stay good for 48 hours.
5. **Results** - Within 24-48 hours test results are emailed and posted to your client portal.

A simple way to meet new OSHA guidelines as of January 4th, 2022!
